is now granting permanent registration to all eligible industrial undertakings on expiry of their previous registration which will avoid renewal of registration certificates on each expiry.

(5) The NSIC's "Single Point Registration" procedure is working quite satisfactorily and as such no further simplification is considered necessary at present.

Manufacture of photosensitised materials by Hindustan Photo Films Manufaturing Company

1315. SHRI SUBRAMANIAN SWAMY:

SHRI V. NARAYANASAMY:

SHRI BHUBANESWAR KALITA:

Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that Hindustan Photo Films was set up some 30 years back for the manufacture of photosensitized materials from Base materials, yet their activities to the extent of 60 percent are still concentrated towards the Slitting and Confectioning from imported jumbo rolls; and

(b) if so, what corrective steps Government propose to take in this regard?

THE MINISTER OF INDUSTRY (SHRI AJIT SINGH): (a) and (b) M/s. Hindustan Photo Films Ltd., (HPF) was set up in 1960 for manufacture of a range of Black and White products and Medical X-ray films (CTA). To meet the increasing demand for colour products HPF has undertaken conversion of these products from imported jumbo rolls. It is also setting up integrated facilities for manufacture of polyster based medical X-ray, Industrial X-ray and Graphic Art films. This project is scheduled to be completed by October, 1991.
